About WorldMatch

WorldMatch is a **pioneer online company**, providing **premium gaming solutions** to the most successful online casino operators since **2000**.

Based in Italy, the provider has been specialising in the design and supply of online casino games over the last two decades in order to offer **state-of-the-art game products**, tailored to meet the operators' objectives and players' tastes and preferences.

WorldMatch's offer features **200+ games: 160 slot machines** with **70 game engines, 30 table games, all the variants of video poker**, for **desktop** and **mobile devices** with a **great choice of configurations** in terms of volatility, different features, winning frequency and cross-platform jackpots.

To date the **most important operators of the online gaming industry** across Europe have chosen WorldMatch's games, which have been implemented in **hundreds of gambling sites**.

The WorldMatch brand is internationally renowned and it is associated with concepts like **innovation, product quality** and **customer-oriented service**.

The company holds a **strong position in the Italian** market, where it already numbers commercial agreements with all top level operators.

In 2017 WorldMatch accomplished the **DGOJ** certification process to release the games to the **.ES regulated market**.

As part of its branching out strategy, WorldMatch also undertook the certification process with **COLJUEGOS**, the Colombian regulator and it is currently exploring new target markets, such as the Middle and Far East.

LOT

LAND OF TROLLS

LOT: Land Of Trolls

Welcome to LOT, the Land Of Trolls, yes! At last the Trolls are back in town. They are small and happy creatures, ready to entertain you, singing and dancing night and day.

Trolls are never alone, they bring with them wonderful magic shining stones.

Enjoy this 6-reel and 6-row slot machine with stunning features like Cluster win, Re-Spins, and Bonus Game.

Help the Trolls collect the magic shining stones, group them together and collect them before it's too late.

Game features:

RL: 6x6 | JP | FS | BG | CLW | RS

Fa Fa Spin

Maneki Neko is wishing you all the fortune, along with sycce the golden ingot and tons of sticky wild golden koi. If you still think this not enough, we are give you a 5X4 slot machine with 1024 way to win and free respin to offer you a second winning chance.

Game features:

RL: 5x4 | BL: 1024 | JP | BG | CWRS | STKJ

Matryona Spin HD

Inspired by the most colourful matryoshka dolls, Matryona Spin HD slot boasts an original 3x4 layout, many innovative features and a very engaging gameplay. The 3D spin effect adds excitement to the game: each half symbol rotates around itself and if it combines with matching half, the doll opens up to reveal another doll, according to the Russian tradition, and the reels respin. On top of all that, Matryona Spin HD is equipped with Free Spin Game and an original multiplier that boosts player's winnings.

Game features:

RL: 3x4 | FG | JP | RS | Wx | SW

Slot Cup HD

The 21st FIFA World Cup is one of the biggest event taking place in 2018 and Slot Cup HD is meant to celebrate it to the delight of all soccer lovers.

Slot Cup HD is a fast to play slot machine that conveys both a feeling of winnings' immediacy and a suspenseful tone.

The Matching Reels feature, with identical, adjacent reels that are linked together, boosts the chances to get winning lines each time it occurs!

Game features:

RL: 5x3 | BL: 15 | JP | MR | FS | STJ

Re-Wild HD

Re-Wild's 5x3 layout recalls of the most classical theme of slot machines and traditional symbols, which have yet been modernized and launched into outer space.

This slot awards players with a worthy Respin feature: when Wild symbol occurs, the symbol expands and keeps still there during the following Respin that starts straight afterwards and provides players with new chances of winning!

Game features:

RL: 5x3 | BL: 10 | JP | RS | STKJ | Jx

ROBOTIKA

The slot machine interface features five reels. From left to right: the first reel shows a yellow robot; the second reel shows a red gear, a red car, and a green gear; the third reel shows a white robot; the fourth reel shows a blue gear, the text 'ROBOTIKA ROBOTIKA' above a blue 'WILD' symbol, and a yellow gear; the fifth reel shows a purple robot. Below the reels are 'LINES' and 'BET LEVEL' buttons, a play button, and a 'Go' button. The current 'LINE BET' is 0.01. A time display shows 17:30.

Roulette HD

There is nothing like the thrill of a Roulette game and WorldMatch developed a ground-breaking idea to keep the player's attention always high: cutting-edge graphics and amazing ergonomics. Visibility is at its best: no-compromise in graphics for a perfect view of the table and gaming info.

Roulette HD is available in three different game types: **Fair Roulette** (or European), **American** and **French**, to match all your needs and expectations and give you the excitement of a real Casino. Each variant is available in three settings: **Standard**, **Pro** and **Privée**, according to minimum and maximum bets set by the Operator.

The player can choose between a simplified game mode, with an essential and intuitive interface, or an advanced mode, with more functions and information.

The users simply click on the Extra button to program repeated bets, save their favourite bets and access the advanced and interactive game statistics.

History

WorldMatch's Roulette comes with a visual History function: an easily accessible and intuitive option that displays the requested game-hand on video, with fully detailed list of bets, winnings and losses and corresponding date and time.

Jackpot that can be achieved with the following combination: Ace and Jack of Spades (the real Black Jack). The extremely realistic high-detail graphics guarantee a fun and exciting gaming experience.

Black Jack HD is available in three settings: **Standard**, **Pro** and **Privée**, according to minimum and maximum bets set by the Operator.

History

WorldMatch's Black Jack HD includes the visual History function: an easily accessible and intuitive option that displays the requested game-hand on video, with fully detailed list of bets, winnings and losses and corresponding date and time.

Black Jack HD

Black Jack HD is probably the most beautiful Casino Game, perfect for those who love adrenaline and have a strategic mind. WorldMatch's Black Jack can be fully configured by the Operator with different bet levels, to satisfy all kind of players and give them unique emotions. Five betting zones, **Double**, **Insurance** and **Split** to experience the excitement of a real Casino without leaving home.

WorldMatch also enhanced its Black Jack with a special

Black Jackpot HD

WorldMatch has created Black Jackpot HD, a brand new version of Black Jack with new winning combinations that gives the players the chance to play three hands, instead of five.

This new game comes with **Double**, Insurance and **Split** modes: the most advanced features to make the player feel all the true emotions of sitting at a real Casino table. Black Jackpot is available in three settings: **Standard**, **Pro** and **Privée**, according to minimum and maximum bets set by the Operator.

History

WorldMatch's Black Jackpot HD includes the visual History function: an easily accessible and intuitive option that displays the requested game-hand on video, with fully detailed list of bets, winnings and losses and corresponding date and time.

History

WorldMatch's Punto Banco HD includes the visual History function: an easily accessible and intuitive option that displays the requested game-hand on video, with fully detailed list of bets, winnings and losses and corresponding date and time.

Punto Banco HD

Punto Banco HD was created in the Middle Ages, but it's still a very popular game. WorldMatch's version of this classic game catches its spirit in full, enhancing it with exciting and detailed graphics.

Punto Banco is available in three settings: **Standard**, **Pro** and **Privée**, according to minimum and maximum bets set by the Operator.

Punto Banco Batticuore HD

Punto Banco Batticuore HD is a variant of Punto Banco and it is available in several versions offering various combinations of chip values and table limits: **Standard**, **Pro** and **Privée**, according to minimum and maximum bets set by the Operator.

History

WorldMatch's Punto Banco Batticuore HD includes the visual History function: an easily accessible and intuitive option that displays the requested game-hand on video, with fully detailed list of bets, winnings and losses and corresponding date and time.

Craps HD

Craps HD is a totally worthwhile classically styled game, which has become very popular with online gamblers. The game involves predicting what numbers will be rolled on a pair of dice.

CRAPS

This game has an extra oomph because it is the online edition that most of all comes close to the offline version of the game, offering **all the Bet Types**, so involving the player in the real casino experience. On the top of that, WorldMatch's Craps offers the player an attractive **Field Bet**, because if 2, or 12 are rolled the player wins 3 to 1. The game is equipped with the **Dice History**, an additional visual history feature, which is displayed next to the Game Area and it is always visible, in order to give the player a quick recap of all his last bets.

Craps HD is available in three variants: **Standard**, **Pro** and **Privée**, which differ depending on the minimum and maximum bet limits set by the Operator.

Golden Flash HD

Golden Flash HD is an innovative Table Game born from the perfect synthesis between the game dynamics of the Roulette and a Slot Machine, which offers the players a very immersive gaming experience, without sacrificing usability and the immediacy of result.

With Golden Flash the player plays directly against the Dealer, forecasts on 5 numbers drawn in 5 "boules" or wheels.

Golden Flash

Each boule displays the 37 numbers (from 0 to 36) of the French Roulette and winnings are paid according to the payable, taking into consideration the drawn number and those in the proximity in the same wheel (i.e. the 2 numbers that precede and the 2 that follow the drawn number).

HISTORY

WorldMatch's Golden Flash HD includes the visual History function: an easily accessible and intuitive option that displays the requested game-hand on video, with fully detailed list of bets, winnings and losses and corresponding date and time.

Bets Poker

3 Bets Poker HD

3 Bets Poker HD is a variation of 5-card stud poker. The objective of the game is to collect any winning 5-card poker hand, containing at least a pair of tens, from three cards dealt to a player and two community cards dealt to the dealer.

The Bonus Bet added feature provides to the player extra chances of winning, thanks to the additional winning combinations of the **Bonus Bet** Paytable, thus enhancing the thrill of each hand.

3 Bets Poker HD is available in three variants: **Standard**, **Pro** and **Privée**, which differ depending on the minimum and maximum bet limits set by the operator.

History

WorldMatch's 3 Bets Poker HD includes the visual History function: an easily accessible and intuitive option that displays the requested game-hand on video, with fully detailed list of bets, winnings and losses and corresponding date and time.

Casino Hold'em HD

Casino Hold'em HD is a variation of Poker Texas Hold'em, but unlike the latter it is played against the house, rather than against other players.

The **AA Bonus** added feature provides to the player a higher frequency of winning, thanks to the large number of possible combinations thus enhancing the thrill of each hand.

Casino Hold'em HD is available in three settings: **Standard**, **Pro** and **Privée**, according to minimum and maximum bets set by the Licensee.

History

Casino Hold'em HD includes the visual History function: an easily accessible and intuitive option that displays the requested game-hand on video, with fully detailed list of bets, winnings and losses and corresponding date and time.

★ Casino ★ HOLD'EM
